PROFESSIONAL SUMMARY

Economics graduate specialising in Econometrics & Applied Statistics, with research experience at Khazanah Research Institute. Analysed multi-source Malaysian housing data across every DUN in Malaysia, at DUN, Mukim and District levels, to identify rental affordability gaps, and co-authored published research on Kuala Lumpur's residential rental market. Experienced in quantitative analysis, data synthesis and research reporting using DOSM, NAPIC and R.

PROFESSIONAL EXPERIENCE

Consultant Research Assistant | Khazanah Research Institute Jul 2025 – Jun 2026

- Identified rental affordability gaps across every DUN in Malaysia by synthesising multi-source data at DUN, Mukim and District levels for national housing research.
- Delivered published evidence on Kuala Lumpur rental affordability by co-authoring "A Quick Look at the KL Residential Rental Affordability Market".
- Exposed gaps in Malaysia's rental data infrastructure by cross-referencing DOSM and NAPIC databases to assess inconsistencies and information asymmetries.
- Strengthened national housing research chapters by integrating quantitative analysis with stakeholder engagement findings across Rental Markets and Institutional Arrangements.

Policy Research Intern | Khazanah Research Institute Mar 2025 – Jul 2025

- Established a baseline for Malaysia's rental market conditions by synthesising DOSM and NAPIC data ahead of the 2024 Census for the housing project's inception report.
- Shaped early-stage housing research findings by synthesising literature on rental markets and institutional arrangements for national-level studies.
- Improved methodological consistency in project outputs by reviewing published KRI reports and aligning qualitative and quantitative findings with established research standards.

Research Assistant | Freelance Nov 2024 – May 2025

- Strengthened the empirical foundation of an undergraduate thesis by synthesising academic literature and sourcing supporting evidence.
- Improved thesis clarity and academic compliance by conducting detailed proofreading and aligning citations and document formatting with university requirements.

Private Tutor | SPM Economics Nov 2024 – Jan 2025

- Improved a student's Economics performance from Grade C in trial examinations to Grade A through targeted coaching, contextual examples and structured learning materials.

EDUCATION

Bachelor of Economics with Honours | Universiti Kebangsaan Malaysia (UKM) 2025

- Major: Econometrics & Applied Statistics
- Research publication: "Family Planning Decisions and Child Investment Patterns: Evidence from Malaysian Families" — published in AIP Proceedings 2026.
- Dean's List: 1st & 6th Semester

AWARDS & LEADERSHIP

Anugerah Majlis Tertinggi Terbaik Fakulti Ekonomi & Pengurusan | 2025 — Faculty award recognising leadership and contribution.

Anugerah Alumni Fakulti Ekonomi & Pengurusan | 2025 — Award recognising extracurricular performance and leadership.

Anugerah Persatuan Mahasiswa Fakulti Terbaik | 2024 — Achieved Top 3 among 13 faculty student associations at UKM.

President | Student Association of Faculty of Economics and Management, UKM Oct 2023 – Jun 2024

- Delivered 31 faculty and inter-faculty programmes by coordinating student association activities, external collaborations and committee operations.
- Achieved Top 3 among 13 faculty student associations through organisational leadership and programme execution during the 2023–2024 term.

President | Bureau of External Relation and Alumni, Kolej Rahim Kajai, UKM Oct 2022 – Jun 2023

- Established an accessible alumni database for Kolej Rahim Kajai by compiling alumni information for use across college bureaus.
- Served as the only first-year student to lead a bureau as president, representing the bureau at the college's Annual Grand Meeting.

TECHNICAL SKILLS

Quantitative: Econometric Analysis, Applied Statistics, Data Analysis, Data Cleaning, Quantitative Research

Research: Market Research, Literature Review, Data Synthesis, Research Writing

Data Sources: DOSM, NAPIC

Software: RStudio, Microsoft Office

Languages: Malay (Native), English (Fluent)
